Visiting Team Information

Congratulations on your berth at Team Racing Nationals. We are very excited to host this series of championships. We know the timing of these events on weekdays during normal Cambridge workdays and our lack of control over DCR parkland may present some challenges but we'll do our best to make it a memorable championship for everyone involved. Please email Matt Lindblad (mitsail@mit.edu) and Mike O'Connor (mgo@fas.harvard.edu) if you have any questions or we can help out.

Parking

On weekdays, we have parking for \$11/day for 1 team van from each team in the “Westgate” lot shown on the map below ([driving directions](#)) which is .9 mi walk to MIT Sailing and 1.2 mi to Harvard. Take a ticket upon entry and you’ll be able to pay via credit card on the way out. On weekend days, there is plentiful metered parking westbound on Memorial Dr or in the MIT Sloan lot. See map below.

Dropping off before parking

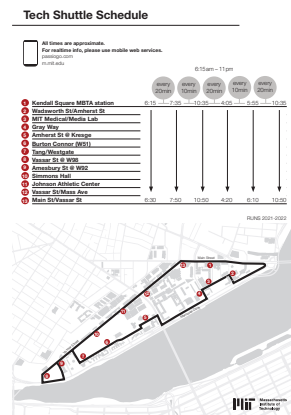

For the Open TR Champs @ MIT-Teams will be allowed to stop briefly in front of the Sailing Pavilion to drop off team members and then take the van to the lot. Drivers must stay with the vehicle while dropping off and drop offs must be efficient. This system will work well if everyone is conscientious and treats this like an “airport style” drop-off.

If cut out spots are full, you can drive up to the next set of cutouts in front of the Charles River YC or do another loop. There is also a good drop off spot west bound in front of Walker Memorial. **Do not double park and block traffic.** Be careful crossing the active bikeway/walking path. We appreciate your cooperation.

For Women’s TR Champs @ Harvard-Teams can drop off in front of Charles River YC, westbound on Memorial Dr or Harvard Sailing.

Parking Shuttle-On weekdays, there is Tech shuttle that runs every 10 minutes from that lot #7 Tang/Westgate to the #4 at the corner of Ames St and Memorial drive, directly across the street from the MIT Sailing Pavilion. <https://mit.passiogo.com/> shows the realtime location of the shuttles. Show your credential to the driver to access.

Restrooms-There will be access to the restrooms in the basement of Walker Memorial building directly opposite the MIT Sailing Pavilion. Please use the crosswalks to cross Memorial Drive. Plumbing at both facilities are prone to failure so please be prepared to cross the street. Portapotties were not permitted by the DCR.

“Field of Play”-ICSA requests that the host provide the competitors and coaches with an area that is considered the “Field of Play”. This area is an area that only credentialed competitors, coaches and regatta officials can access. **For this event, the MIT Sailing Pavilion and Harvard Boathouse will be designated as part of the “Field of Play”** and will be closed to spectators (as well as our own sailing members.) **Each team will be issued 10 competitor and 2 coach credentials.** Contact Matt Lindblad if you plan on bringing more than 10 competitors.
